## ABOUT THE AUTHOR

On April 11<sup>th</sup>, 2016 Matthew Lowes had an unexpected and profound spiritual awakening, just as the great mystics have described. Since this enlightenment dawned, he has endeavored to communicate the insights intrinsic to realization and help others on their spiritual journey. In addition to this work, he continues to be a writer of fiction and games, as well as a student and teacher of martial arts, fitness, and health practices.

Without the mind, there is no confusion whatsoever.

# A BILLION FINGERS POINT AT THE MOON

MATTHEW LOWES

DECIPHERING SPIRITUAL LANGUAGE

Deconstruct the confusion inherent in the language of spirituality, and orient yourself toward a truth which is beyond all words, thoughts, and concepts.

—Coming in 2022

Thank you for reading!

Please post a review online. :)

The next book in this series,  
*A Billion Fingers Point at the Moon*,  
is coming in 2022.
